REPORT

The department of Training and Placement and the department of International Relations of Aarupadai Veedu Institute of Technology, Vinayaka Mission's Research Foundation had organized a seminar and signing of MoU on 25 March 2018 under the benevolence of Dr. A.S. Ganesan, Honorable Chancellor of Vinayaka Mission's Research Foundation and Dr. Anuradha Ganesan, Director of Vinayaka Mission's Research Foundation. The program started with invocation of Tamizh Thai Vazhthu, welcome address by Mr. Lakshminathan- Head CIR followed by Presidential address by Dr. P. Shanakar, Principal of AVIT. The International Delegates were felicitated by the most respected Provost, VMRF Dr. M. Ponnaivaikko. Honorable Chief Guest Prof. Dr. Siham Mohamed Ahmed Bakhit, Vice Chancellor of Al Zaiem Al Azhari University addressed the students about the activities and history of Al Zaiem Al Azhari University.

Dr. Ashraf Izzeldin Abdalla Mohammed, special Invitee and the coordinator of cultural & Scientific Chairs briefed students on the topic "Internalization of Higher Education: Theory and Practice". Dr. Waeil Yahya Mohamed Ali, Sports Medicine & Physiotherapy Specialist gave a seminar on the topic "Sudan Cupping Test- A modern diagnostic tool", the seminar contained the details and the methods of the Cupping therapy. After the lecture the MoU has been successfully signed between Aarupadai Veedu Institute of Technology, Vinayaka Mission's Research Foundation and Al Zaiem Al Azhari University, Sudan. The vote of thanks was given by L. K Hema Head of International Relations.

The program was a great success with the presence of the International University Eminent and with the coordination of CIR and International Relations coordinators. This program wouldn't have become a success without the student's participation.
