&
INSTITUTION INNOVATION COUNCIL (IIC) - AVIT

The Department of Electronics and Communication Engineering in association with the Department of Training and Placement conducted a Webinar to our faculty and students on “Campus to Corporate” on 22.04.2020. The guest speaker Ms. Deepa Varadhan- Project Manager HR, Rising star mobile India Pvt. Ltd (FOXCONN) made the session informative about the life of students in the corporate sector. Further, the webinar focused on the expectations of the employers from the freshers regarding attitude, self-confidence, communication skills, and knowledge. The speaker also highlighted about the challenges faced by the HRs while recruiting the professional because of inaccurate profile, geographical mindset, lack of job readiness and retention with the organization. The speaker also insisted that the students should acquire the technical skills in the recent technologies of Electronics and communication for better job opportunities. Further, the speaker advised students about the advantages of working in a core sector without salary expectations. Both students and faculties benefited through this webinar and got to know about the industrial expectations.
