INTERNAL QUALITY ASSURANCE CELL AND E - LEARNING CELL

In association with IIT - B (Spoken Tutorial)

Organized

Online Faculty Development Programme

from 20.04.2020 to 24.04.2020

IQAC and E-learning cell of Aarupadai Veedu Institute of Technology (a constituent college of Vinayaka Mission's Research Foundation Deemed to be University) and E-Learning Cell jointly organized an Online Faculty Development Program on Latex in association with Spoken Tutorial, IIT Bombay Spoken Tutorial is an initiative of National Mission on Education through ICT - Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT), MHRD, Govt. of India, to promote IT literacy through Open Source Software. A expert committee was formed for the smooth conduct of FDP.

Advisor

Dr. K. L. Shunmuganathan, Principal, AVIT

Organizers

Prof. P. Rajasekaran, Vice-Principal (Admin), AVIT,

Prof. L. Prabhu, Head of the Department / Mechanical Engineering,

Dr. L. K. Hema, Head of the Department / ECE.

Coordinator

Mr. R. Praveen, Asst. Prof, Dept. of Mech, Coordinator-Spoken Tutorial

Mrs. V. Vanitha, Asst. Prof, Dept. of ECE

The response was very huge across the nation for the Five day Faculty Development Program. The total no. of registered participants - 200, External Participants - 192 , Internal Participants - 08 . The total Participants registered for the courses are Latex - 200.

The IIT spoken tutorial materials were shared through Google class room and communications related to FDP were through whatsapp group. The online test was scheduled on 24.04.2020 and the test for each course was invigilated by our IIT spoken tutorial invigilators & internal faculty members Mr. S. Prakash, Asst. Prof. / EEE for Latex acted as invigilators for the respective course. The online test was conducted for participants on 24.04.2020. The participants who cleared the online assessment were awarded with a course completion

certificate by IIT - B. and Participation certificate was issued on behalf of AVIT for all the participants.

FDP Outcome:

Through the feedback received from the participants, the online FDP was much appreciated by most of the faculty members and had a good learning experience of new course / software and was helpful in upgrading their technical skills and up-scaling their knowledge.

Sample participant certificate
