

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Report on Alumni Guest Lecture by

Mr.P.V. Rajesh Kumar, Deputy Manager Entrust

Houston on 05.02.2020

The Department of Electrical and Electronics Engineering organized a guest lecture, entitled “**Automation in Process Industries**” on 05.02.2020 at 11 a.m. at Digital Hall 2, Thiruvalluvar Block, AVIT. It was a two hour session.

Mr.P.V. Rajesh Kumar, Deputy Manager, Entrust Houston, an Alumni of our college was the Chief Guest. The event started with a Welcome Address by Ms.S. Jensie Anita, AP, EEE.

After the Welcome Address, Mr. P.V. Rajesh Kumar, Chief Guest started giving a lecture on “the Importance of Engineering in Different Fields” at 11:15 am. He proceeded the session in a very interactive and informative way. He mainly focused on the Core sector. He discussed the Automotive Engineering in particular in which he emphasized on Design, Production, Research and Possibilities for Developments.

The lecture was benefited to all the participants. Apart from the lecture, he gave many ideas about different core companies, and discussed how interviews could be faced confidently. He advised how the period of engineering course could be utilized successfully.

Mr.S. Prakash, AP(Gr-II)/ EEE gave a Vote of Thanks through which the Guest, the faculty members and all the student participants were thanked.
