A seminar on “Emotional Intelligence” was organized by the Department of Electrical and Electronics Engineering on 21-02-2020. The Outstanding Scientist, Director, Control Systems Laboratory, Research Centre Imarat, DRDO, Dr.S.Karunanidhi was the Chief Guest.

The guests, Dr.S.Karunanidhi, Mr.B.VRavi Kumar, were welcomed by the Campus Director, the Principal, the Vice Principal (Admin) , the Vice Principal (Academics) and the HoD/EEE at the college premises.

The Campus Director, AVIT and the Principal, AVIT honoured the guests with a memento as a token of love and appreciation.

The Chief Guest started his talk on the education system in the Vedic period. He compared the ancient system of education with the education in modern era. According to him the ancient education was based on Shape, Colour and Music. He mentioned, "The Indians are of a rich culture, heritage and high ethical values". The term Philosophy was beautifully defined by him as "Love for Wisdom". He stated, "The imagination is more powerful than the knowledge we acquire". He talked about Sowndarya Lahari of Aadi Shankara which was the favourite book of Sir Isaac Newton.

He explained the real sense of the verse "Mathru Deivo Bhava, Phitru Deivo Bhava, Acharya Deivo Bhava And Adithi Deivo Bhava".

Based on a study, he enunciated the water molecules when expose to different emotions it surprisingly exhibits the emotions of a human cell. It happens because of 72% of water in the world as well as human body. He concluded the session by advocating to be positive in dealing with the things we handle and be in the company of people with positive attitude to enjoy peace.

The session was concluded by proposing a vote of thanks by Dr.L.Chitra, HoD/EEE.
