AVIT – ENVIRONMENTAL STUDENTS CLUB
REPORT ON NATIONAL RECYCLING DAY 2024

AVIT - Environmental Students Club celebrated the "National Recycling day" on 18ᵗʰ November 2024. To mark the significance of National Recycling Day 2024, the Environmental Students Club of AVIT organized a special event with the theme "Trash to Treasure". The primary aim of the event was to raise awareness about recycling, waste management, and the creative potential of turning waste materials into valuable items. This event encouraged students to not only rethink the way they handle waste but also to explore how ordinary trash can be transformed into something extraordinary.

Trash to Treasure Craft Competition: Participants were invited to create innovative crafts using discarded materials. These projects showcased creativity and the potential of upcycling.

Despite the initial registration of 27 students, 9 students actively participated in the event. The participants demonstrated great enthusiasm and creativity by presenting their unique creations, which included items like recycled jewelry, home décor, and educational tools made from discarded plastic, paper, and metallic materials. Their efforts were highly appreciated by the event organizers and Judges.

1st, 2ⁿᵈ place winners were selected based on creativity, design, and overall presentation. They were awarded with exciting prizes in recognition of their outstanding projects.

All participants received Participation Certificates, encouraging them to continue their efforts in promoting environmental sustainability and waste management.
