## **Outcome of the Symposium**

Netrix 2K25 successfully fostered innovation, research, and skill development among students, aligning with the **AICTE AI for ALL** initiative. The symposium achieved the following outcomes:

Encouraged students to explore cutting-edge AI technologies and their applications.

Provided a platform for knowledge exchange and collaboration between students from various institutions.

Strengthened industry-academia interaction through expert talks and jury evaluations.

Enhanced problem-solving, creativity, and analytical skills of participants through engaging competitions.

Empowered students with real-world technological insights, preparing them for future career opportunities.
