Department of Mechanical Engineering

Report – Virtual Industrial Visit

TVS Training Services Pvt. Ltd., Chennai on 15.06.2021

The Department of Mechanical Engineering & Indian Institute of Production Engineers (IIPrE) has organized a “**Virtual Industrial Visit to TVS Training and Services Ltd.**” on 15.06.2021 for II year, III year & IV year Students belonging to Mechanical & Automobile Engineering. Around 113 students had participated in the above event.

The event was convened by Prof. L. Prabhu, Vice Principal (Administration) & Head – Department of Mechanical Engineering. The virtual walk through of the Industrial visit had gone through various departments like

- Additive Manufacturing facility
- CNC lab
- Metrology & Measurements Lab
- Welding shop, Maintenance lab
- Electric vehicle division
- Automation lab
- PLC lab
- QMS process were explained

The walk through was guided by Mr. Muneeshwaran, Technical Trainer, TVS Training & Services Ltd., and had explained the technical concepts of Industrial Engineering.

Theme: Virtual Industrial visit to a Mechanical Industry

Virtual Industrial visit objectives:

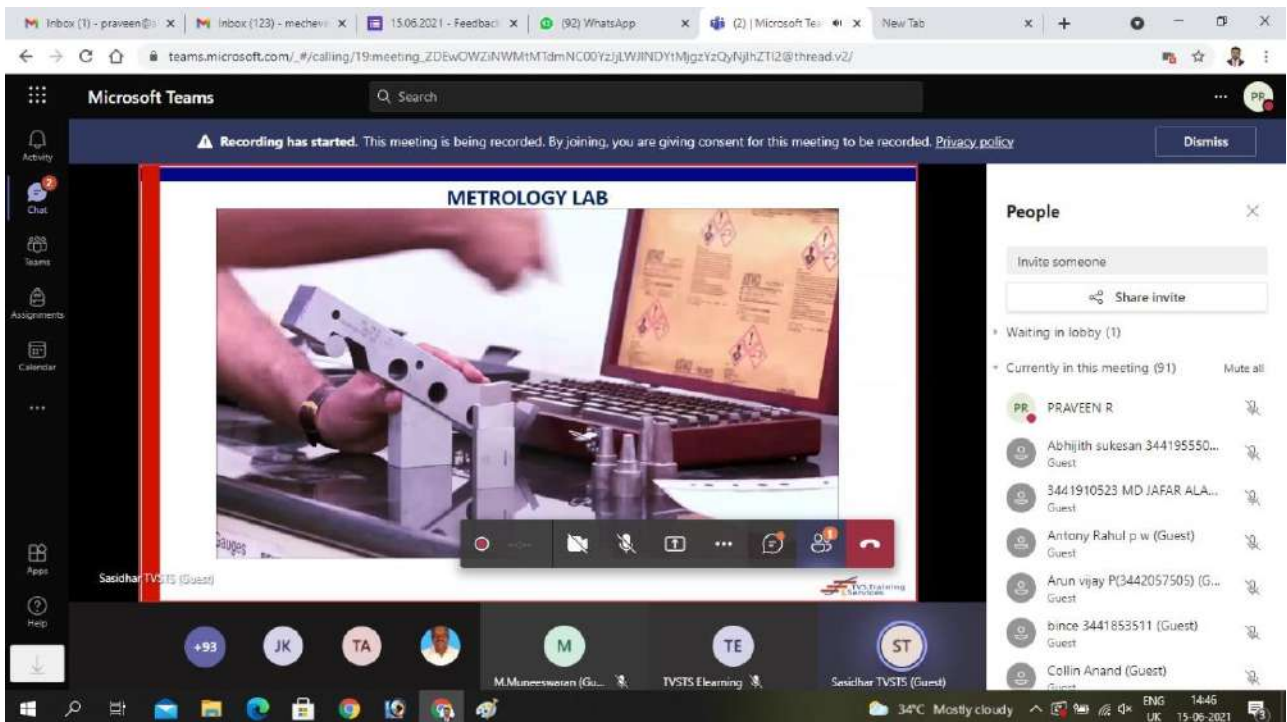

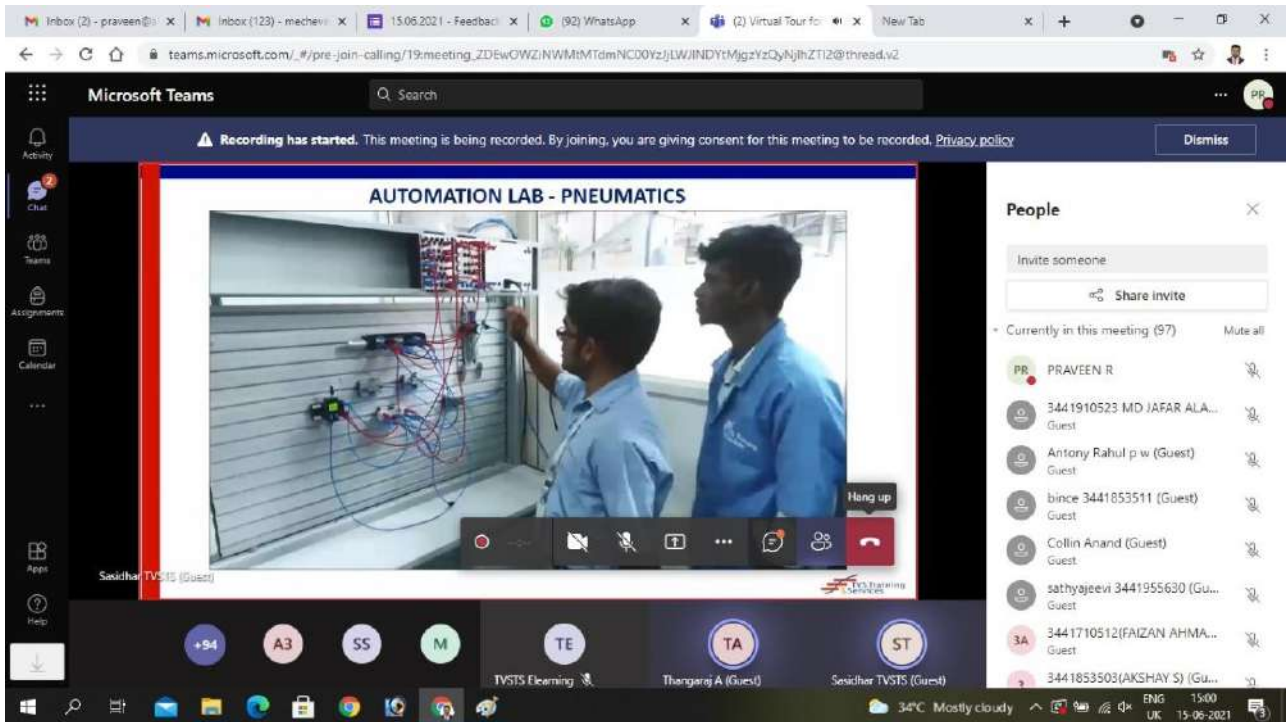

- Students to understand the functions of each department in a core Industry
- Understanding the concept of Quality Management system
- Clear understanding of shop floor activities

Virtual Industrial visit outcome:

- Clear understanding of product and process flow.
- Career opportunities in core Industries.
