FACULTY ORIENTATION PROGRAMME

Nature of Programme	: Faculty skill enhancement programme
Programme conducted on	: 10.08.18
Timings	: From 10.00 AM to 1.30 PM
Venue	: Auditorium, AVIT
Title/Theme	: Multiple Intelligence
Number of participants	: 100
Topics targeted	: Understanding Intelligence in its various manifestations as being measurable and modifiable
Organizer(s)	: Central Library in collaboration with IQAC

Objective of Programme :

To provide in-depth exposure to faculty members on the various nuances of Multiple Intelligence Computing & Development

Feedback obtained from the participants:

The faculty members were receptive to the inputs given by Dr. Bennet. They interacted with him and found the inputs to be highly informative and interesting. They were encouraged by Dr. Bennet to develop their knowledge base on this topic and also implement it as often as possible at AVIT.

Summary

Dr. Bennet Jay Ragland Intelligence Computing expert and Executive Director of 'Syllabus Plus' (Resource Expert) conducted the programme and provided valuable inputs on Intelligence improvement, detection and measurement. Prof. N. Lakshminarayanan, Head of Humanities and Science Dept welcomed the gathering and gave an outline of the planned programme. Prof.,D.Vijendra Babu, Vice Principal delivered the Presidential Address , Prof.P.Rajasekaran, Vice Principal (Admin) felicitated and briefed about the role of IQAC in institution building, and Mr. Sreedhar, Chief Librarian delivered the Vote of Thanks.

Expected Outcomes

The faculty members are expected to apply the concepts learnt from this FDP in their pedagogies for effective enhancement of the learning environment.

Audience in rapt attention

And one for the camera..

Your thumb says it all!

The power of our fingers...

I'm ready to be analyzed..

A memento to remember us..
