VINAYAKA MISSIONS RESEARCH FOUNDATION  
KERALA FLOOD (Cyclone Ockhi) RELIEF FUNDING REPORT**

The devastating Kerala floods caused the maximum number of casualties globally among the extreme weather events in the year 2018. The Kerala State has witnessed the cyclone Ockhi ravage which resulted in a death toll of nearly thousands of humans and animals. Dr.B.Prabasheela , Mr.Surendrababu , the AVIT NSS Program officers along with NSS student Volunteers conducted a collection drive in the college, as a part of the flood relief efforts for Kerala. The Staff and students were very keen and generous in contributing towards relief operation in order to rebuild the life of victims lives after witnessing the worst floods of the century. A sum of Rs 98,601 and 25 Kg Rice bag were collected through the drive. We feel happy that our small contribution would meet the needs of at least a few victims.

**Dr.P.Shankar, Principal AVIT started the collection drive through his contribution**

**Prof.D.Vijendra Babu,  
Vice Principal (academics)**

**Prof.P.Rajasekaran,  
Vice Principal (admin.)**
