VINAYAKA MISSION'S RESEARCH FOUNDATION
DEPARTMENT OF ECE
Report – Seminar on “Machine Learning with Image Processing”**

Department of Electronics & Communication Engineering, Aarupadai Veedu Institute of Technology organized a **Seminar on “Machine Learning with Image Processing” on 7th August 2018**. The seminar was arranged by TARG- Digital Image Processing group. Prof. D. Vijendra Babu, Vice Principal (Academic) & HOD/ECE delivered the Welcome address and Ms. R. Mohana Priya, Asst Prof. (Gr II), has introduced the chief guests of the function. Shri.Shabarinath Premlal, Founder, ResPro Labs, CIET, Chennai .The Chief guest Shri.Shabarinath Premlal has delivered the lecture on the concept of Deep Learning and Machine Learning with its day to day application. His experienced visioning, costing and executing projects from inception to launch it motivated the student to involve themselves in project. He is able to provide a structured framework to analyse complex situations from simple strategic imperatives which is the need of present scenario. Student participants are III year of ECE & BME department. They gained the knowledge about application of Machine Learning in various field.
