**One day Seminar on 'EMERGING TECHNOLOGIES IN AUTOMOTIVE INDUSTRY' - 23.08.18**

The Department of Mechanical Engineering and Association of Mechanical Engineers of AVIT (AMEA) organized a One day seminar on 'EMERGING TECHNOLOGIES IN AUTOMOTIVE INDUSTRY' on 23<sup>rd</sup> August 2018.

The chief guest **Mr. M.RAVI**, Assistant General Manager ,Regulation And Homologation Product Development ASHOK LEYLAND was welcomed by Prof. L. Prabhu, Head – Department of Mechanical Engineering. The chief guest was introduced by Prof. N. Lakshmi Narayanan, Addl. Head – Department of Mechanical Engineering. Nearly 66 students participated in the seminar.

The students had an interactive session with the expert and the following contents were discussed.

- Regulatory framework in India
- New Regulations & Technologies in Automotive Vehicles.
- Automotive research association of India - ARAI
- Ministry of road transport & highways
- Emission norms.
- Safety Regulations.
- Bharat Stage Emission Standards-BS6.
- Motor vehicle Act,1988.
- Conclusion/Interactive Q&A Session.

**Outcome:**

The programme was conducted for the awareness of Advanced Manufacturing Technologies in Automotive Industry, Safety norms industry. The Students interacted with the guest regarding Industrial visit, Projects & Placement activities.

Vote of Thanks was proposed by M. Saravanan, Asst. Prof., Department of Mechanical Engineering.
