**SEMINAR - "INTRODUCTION TO INDUSTRIAL AUTOMATION & ITS
APPLICATIONS" ON 03.08.2018**

The Department of Mechanical Engineering AVIT in association with **Engineering Design Collegiate Club (EDCC) & CAD / CAM Thrust Area Research Group (TARG)**, organized a one day seminar on **"INTRODUCTION TO INDUSTRIAL AUTOMATION & ITS APPLICATIONS"** of both III year & IV year students of Mechanical Engineering.

The expert speakers' **Mr. RAJESH RAMAN, Founder & Ms. BHUVANA BADRINARAYAN, Co – Founder – Progyaan Learning Centre**. The chief guests were welcomed and introduced by Prof. L. Prabhu, Head – Department of Mechanical Engineering. Nearly 135 students from III year & IV year students participated in the seminar. The importance of automation and its application in industries were discussed and students had an interactive session with the chief guest.

Outcome: The programme was conducted to enhance the Technical skill of the students in industrial automation. The trainers assured the students that they would guide them in Training, Industrial projects, Mini project, Project work, Industrial visits and Placement assistance.

The vote of thanks was proposed by Mr. Praveen. R, AP-II Mechanical Department.
