Report on World Environment day 2024

Institution's Innovation Council in association with AVIT Environmental Students club was celebrated successfully World Environment Day 2024 on 05th June. We conducted an online Quiz competition on "Our Land Our Future". More than 100 students registered for an online quiz competition to celebrate the World Environment day. Around 77 students enthusiastically participated in the quiz competition from various branches. Through this competition, students learnt about how our land is useful to humans and the nature and ways to preserve the land for cultivation and other purposes for the present as well as the future generation. Based on the results from the quiz competition, three winners were selected. The selected students were awarded with prizes and certificates.
